

**ECO-SAFE FORMULA
PROVEN TO REPEL
FLEAS & TICKS**

ULTRASHIELD® GREEN

UltraShield® Green is a natural repellent proven in an independent study to repel fleas & ticks. UltraShield® Green provides up to 8 hours of protection against biting flies, mosquitoes, and gnats on dogs.

For use on all breeds of dogs.
 • Eco-Safe formula for the entire family • Not oily or greasy • No artificial colors or additives • Refreshing aromatic scent

Directions:
No dilution necessary. Shake well before using.
Dogs: Brush dog thoroughly to remove excess dust and dirt. Spray directly onto coat. Do not spray in eyes or mucous membranes. Use a soft cloth to apply to the face and other sensitive areas.

Storage and Disposal: Store in a cool, dry area away from children and pets. Please recycle. If recycling is not available in your area, place in trash.

Caution: Keep out of reach of children. If your dog has extreme sensitivity or allergies, try a small patch test on the dog's body to make sure there is no reaction or consult your veterinarian. Avoid contact with eyes. If product gets in eyes, rinse eyes thoroughly with plenty of water. Some dogs may be sensitive to the plant oils used in this product. If skin irritation develops wash thoroughly with mild soap and rinse with plenty of water.

Protect from freezing.
 This product has not been registered by the United States Environmental Protection Agency. W. F. Young, Inc. represents that this product qualifies for exemption from registration under the Federal Insecticide Fungicide & Rodenticide Act.
